

SSC Launches the Special Education Fiscal Collaborative!

The NEW School Services of California Inc. (SSC) Special Education Fiscal Collaborative (SPED Fiscal Collaborative) is an information-sharing and capacity-building resource focused on school finance and special education fiscal literacy. We invite local educational agency (LEA), county office of education, and Special Education Local Plan Area (SELPA) fiscal staff and leaders to join our team of experts for high-quality, timely, and relevant information and resource sharing related to special education fiscal planning, implementation monitoring, and alignment with mandated plans and reporting requirements for special education.

The SPED Fiscal Collaborative will provide members with the following:

- Ten one-hour virtual webinars and/or tutorials each year
- Access to special education finance experts through a cloud-based user group email platform
- Networking opportunities with job-alike partners
- A resource hub with tools to meet the unique fiscal need of those supporting special education programs
- Interactive roundtables and small group engagements, support for maintenance of effort (MOE) monitoring, and annual review of required end-of-year (EOY) reporting processes

Professional Learning Offerings

Activities of the SPED Fiscal Collaborative will provide hands-on learning, and encourage collaboration at the local and regional level. Our goal is to increase the knowledge and capacity of special education fiscal staff and leaders as you collaborate and implement quality programs.
